SUMMER VACATION
HOLIDAYS HOMEWORK 2022-23

Dear Parent

We do not wear the Board exam marks on our sleeves? Right. But they do signify a sim thing: it quantifies the level of sincerity and sense of responsibility of a student as per the level of the complexity of the subjects each one studies. This sense of sincerity and responsibility should begin from the time the student steps in XII.

Here are some guidelines for you to invigorate your ward while giving him the chance to enjoy this period of unrestrained fun.

- ❑ Learning doesn't stop when school is out.
- ❑ Work smart, not hard.
- ❑ For every hour of electronics time, you owe an hour of outside playtime.
- ❑ Reading is a must.
- ❑ Before you ask for a favor, do a chore.
- ❑ There's no sleeping all day or staying up all night.
- ❑ Be honest to a fault.
- ❑ Question every fact
- ❑ Do better today than you did yesterday.
